SPECIAL SUGGESTIONS

Until your wedding day, you should take care of a lot of details, the hotel will help you out to answer any question or resolve any problem

The Dress, maybe something traditional, in white or Champagne colour, with embroidery or Freemasonry. You can choose between many options. You should have a clear mind about your dress, it would be advisable for you could compare in two or three Boutiques.

The Bouquet could be as your dress, but you should think that the **make – up** and the flowers are very important too. We suggest both should be the same colour shade. You can choose between many options, modern or classic, a professional florist will give you the best ideas; it depends on the Flowers season. The Make - up artist will advice what colours are better depending your face shape and complexion.

You need a Photo Album to remember your wedding day. You could ask the photographer your album has different kinds of photos in different colours and developing (black & white, sepia, full colours). You have to pose as natural as you can felling natural and comfortable, in this way you will be able to enjoy in this moment.

The Music will give a different atmosphere to each moment in your wedding depending on the type of music. You can have a classical Wedding or something more modern. You could choose the traditional wedding march of Mendelsson o Salutaris of Beethoven, or maybe contract a chorus with more modern songs.

Beauty & health, Sensae Spa Experience is allocated in the hotel. Sensae has got available a special bride program created for this special time. The services available are hair dresser, make – up, specific treatments do not hesitate to ask for a free estimate, moreover, in order to look perfect all day, the make – up artist could be with you every time for the touch – ups as many times as you need.
